

**WDW Half and Full Character, Support, and (real) Bathroom Stops**  
[www.writerunrejoice.com](http://www.writerunrejoice.com)

\*Mile 1-8 has nearly the same characters for half and full.

\*Character stops are based on previous years and are subject to change. (Who knows what runDisney has up their sleeve for us this year!) Locations are also best guesses and may not be exact.

\*I hope you have a total blast! ☺
